Re: EPA STANDARDS APPLICABLE TO OWNERS AND OPERATORS  
OF HAZARDOUS WASTE TREATMENT, STORAGE AND DISPOSAL  
FACILITIES: CORPORATE GUARANTEE OF CLOSURE AND  
POST-CLOSURE CARE

Gentlemen:

On April 11, 1986, we submitted the necessary documentation to insure compliance with the applicable closure and post-closure regulations at the "TSD" facilities owned or operated by Wickes Manufacturing Company.

It has recently come to our attention that one such facility was omitted from our filing. The pertinent information for this facility appears below. The estimated costs of closure and post-closure care are such that we remain able to demonstrate financial assurance for both liability coverage and closure and post-closure care through use of Alternative I of the financial test.
